Introducing your new Paolo Team

Jennifer Schulze Zumkley (left) is from California, USA and has been in Münster for 6 years. She is new to Paulinum, with the oldest of her three children just entering the 5th grade.

Antonia Kannengiesser (middle), moved to Germany from Rhinebeck, NY in 2018 with her husband and three children. She currently has an 8th and a 6th grader at Paulinum and her youngest will be joining in the fall.

Eri Rohlfing (right) is a veteran PAOLO mom. Originally from Japan, she moved from England to Germany with her four children. She's been active in the PAOLO Organization for years and has two current students and two graduates!

The beautiful origami peace doves created by our Paulinum students can still be seen from the street.

Dear Parents,

Welcome back! We hope you all had a wonderful and relaxing spring break. Over here at PAOLO, we've been busy watching our international family grow. Paulinum has already welcomed over twenty new students from Ukraine to our school, with more being added each week. We are happy to provide them with support as they settle into life in Münster and want to thank this wonderful community for being so generous and inclusive. "ласкаво просимо"

Our spring calendar is filling up fast with lots of new events for the whole family. Come have a Margarita with us at "The Enchilada" on the 5th and come meet new friends at PAOLO's first annual Family Picnic on the 13th.

We look forward to seeing you there!

❤️ **Your PAOLO Team**

We currently have two PAOLO Families looking for a place to live in Münster. Can you help?

- One family is urgently looking for a flat or a house (90–110 m³) to move into this June! Three bedrooms and a living room, a furnished kitchen and two bathrooms would be a plus. Please contact: fountaeleni@gmail.com.
- Another family is also looking for a 3 bedroom house in Gievenbeck or Zentrum, ideally with a built-in Kitchen. If you have any tips, please contact +36 30 510 5221
